MEMORANDUM FOR THE RECORD

SUBJECT: Briefing of William J. Casey and  
Stephan M. Minikes of the Export-Import Bank:  
Arab Oil Producer Investment Attitudes

On 25 October 1974, I briefed William J. Casey, President and Chairman of the Board, Export-Import Bank, and Stephen M. Minikes, Vice President and Assistant to the Chairman, Export-Import Bank, on investment attitudes in Saudi Arabia, Kuwait, and Iran. Mr. Casey and Mr. Minikes were leaving on 26 October for a two-week Middle East tour. In the briefing, I discussed the investment institutions and policies in these countries and evaluated the likely attitude of investment decision makers to the proposal Mr. Casey was formulating. Mr. Casey was most complimentary of OER's support and expressed desire for additional briefing material. Additional material was subsequently forwarded.
